This directory is published and is endorsed by the Denver Bar Association (DBA).

Content/Verification Process

Each active attorney in the state of Colorado receives one complimentary listing in this directory consisting of one of each: physical address, PO Box (if applicable), phone and fax numbers, email address and webpage. Colorado-registered out-of-state attorneys are printed by request only. Bold font for an attorney listing, a second address, a firm listing or a field of practice listing are considered enhanced listings and are printed for a fee.

Law firms and legal departments may purchase a listing consisting of address, phone and fax numbers, firm email and webpage. Bold firm listings and firm field of practice listings are considered enhanced listings and are printed for a fee. Attorneys and firms listed within the Fields of Practice section of the directory have been included for a fee at the request of the attorney or firm. This inclusion is not an endorsement of the attorneys or firms by the Denver Bar Association.

Listings within this section of the directory are not repeated from edition to edition. In September 2013, verification forms were emailed or mailed to every active attorney in Colorado for whom contact information was available. Each attorney was asked to respond by mail or fax by Sept. 30, 2013 to verify that each attorney's information was correct or to indicate changes. If no response was received, the information printed in the directory was based on the business address and business phone for each attorney listed in the 2013 Colorado Legal Directory or the updated business address information provided to the Colorado Bar Association after January 2013.

Practicing attorneys are required to keep information current with the Colorado Supreme Court according to the Colorado Rules of Procedure, rule 227 (2) (b): Every attorney shall file a supplemental statement of change in the information previously submitted, including home and business address, within 30 days of such change. Information about courts, government agencies and legal organizations included in this directory was verified between September and November of 2013.

Purchasing Electronic Data

The DBA does not provide the data in this directory in any format other than print. The Colorado Bar Association sells a limited mailing list of their membership, which does not include email addresses. If you would like to purchase an electronic list, please contact the CBA at 303.824.5376.

Reporting Corrections

If your listing within this directory is not as you requested and you made your request before Sept. 30, call us at 303.860.0608 by Jan. 31 to discuss having a correction published in the April 2014 edition of The Docket.

How to Obtain the Colorado Legal Directory

All current members of the Denver Bar Association receive one free copy of this directory. The complimentary copies of the directory are mailed to each member using the address on file with the DBA. In many cases, the address on file for an attorney with the DBA is not the address printed in this directory. If you are a member of the DBA, and you have not received your complimentary copy by Feb. 1, contact membership services at the DBA at 303.824.5376 or membership@cobar.org. If you would like to place an order for a directory visit www.coloradolegaldirectory.com or call 303.860.0608. You may also come to the CBA CLE offices at 1900 Grant St, Ste 300, Denver, CO to purchase directories. Alternatively, you can fax or mail an order form which is included in this directory. The DBA does not maintain standing orders for the Colorado Legal Directory. The only directories that are shipped without an order are the complimentary copies mentioned above.

Becoming involved with Metro Volunteer Lawyers can help shape your profession's future.

metro volunteer lawyers

Established in 1966, Metro Volunteer Lawyers (MVL) is the *pro bono* arm of the Denver Bar Association, providing civil legal services to financially eligible applicants in eight metro Denver counties. MVL's mission is to bridge the gap in access to justice by coordinating the provision of *pro bono* legal services by volunteer lawyers within the Denver Metro Area to people who could not otherwise afford legal services for their civil legal issues.

MVL serves people who are living at or below 125% (free legal services) to 150% (low-fee legal services) of federal poverty guidelines. Approximately 11% of Colorado's population is financially eligible (earn less than 125% of poverty level) for free legal services from Colorado Legal Services (CLS) or MVL.

During the 2011 calendar year, 474 volunteer attorneys took 1,407 MVL cases. The majority of cases are domestic relations matters. Other case types include consumer, bankruptcy, landlord tenant, real estate, wills/POA, guardianships, conservatorships, probate, and tax issues. MVL does not handle criminal matters.

MVL's Current Programs

There are three programs within MVL: Direct Referrals to individual attorneys for direct representation, the Family Law Court Program (FLCP), and the Post-Decree clinics.

Referral

CLS handles the initial client intake process and then sends selected cases to MVL for referral. Once a prospective client has completed intake by calling the CLS intake unit, the Legal Services Coordinator reviews the file and begins contacting volunteer attorneys to try to place the case.

Family Law Court Program (FLCP)

MVL coordinates and manages monthly FLCP clinics in Douglas, Denver, Adams, Arapahoe, and Jefferson Counties. The FLCP assists clients with relatively uncomplicated, "uncontested" divorce or custody matters where the other party is not represented by an attorney.

Post-Decree Clinics

MVL also coordinates and manages Post-Decree clinics for domestic relations cases in Denver and Jefferson Counties, recruiting volunteer attorneys, paralegals, and collaborating with community partners. The Post-Decree Clinics assist individuals with legal problems that arise AFTER Permanent Orders have been entered in a Dissolution of Marriage (divorce) or Allocation of Parental Responsibilities (custody) case.

In many cases, lawyers can identify and resolve legal issues without going to court or can resolve court cases more efficiently and fairly than persons representing themselves. Providing legal services helps stabilize families, saves taxpayers money, reduces the number of cases clogging the courts, and helps people move toward self-sufficiency and full participation in society.

MVL provides volunteers with: malpractice insurance, practical legal experience, mentors, CLE credit, reference materials, substantive training, and access to professional services. Helping MVL clients is also a rewarding way to serve the needs of your community and less fortunate neighbors, while advancing the reputation of lawyers.

COBALT

Colorado Bar Association Leadership Training

COBALT is an interactive leadership training program designed specifically for lawyers with demonstrated leadership skills and commitment to the legal profession and their communities.

2013 COBALT class at the State Capitol.

Each year's class is comprised of up to 20 CBA members of varying ages and experience levels. COBALT meets once a month, during January through June, in different Colorado communities. Each COBALT session focuses on specific aspects of leadership. The program is designed to tap into each participant's potential, teach and develop leadership skills, and address many of the challenges they will face in their roles as lawyers and community leaders. The sessions are taught by a distinguished faculty comprised of recognized community, legal, and professional leaders.

COBALT also creates a venue where the leaders of communities throughout Colorado can learn from each other and develop personal and professional relationships.

SELECTION PROCESS: Nominations, including self-nominations, are sought in July; applications are sent out in August; and class members are notified of their selection in October. Applicants are encouraged to contact members of the current Executive Committee or Sessions Committee or past participants of the program with questions about their personal experiences. Links to the contact information for the Executive and Sessions Committees and prior class members can be found at www.cobar.org/cobalt.

Each participant must commit to attending and participating in each of the six monthly sessions and in the class community service project.

Tuition covers lodging for the travel programs, session meals, and materials. Class members are responsible for transportation, extra reading materials, incidentals, etc. Tuition scholarships are available.

CBA President-elect Terry Ruckriegle addressing the 2013 class.

For more information about the program, please contact Dana Collier Smith
at dcolliersmith@cobar.org, (303) 824-5318, or (800) 332-6736.

A black and white photograph of Thurgood Marshall, a prominent civil rights lawyer. He is shown from the chest up, wearing a dark suit, a white shirt, and a dark tie with small white dots. He has a mustache and is wearing thick-rimmed glasses. His expression is serious and focused. The background is blurred, showing other people in what appears to be a courtroom or a formal setting.

Before
we talk
Business,

Civil rights champion Thurgood Marshall spent decades in the courts working to prove we were separate but unequal. In time, he prevailed. And, He Did It *Pro Bono*.

let's talk
history

A Colorado *pro bono* campaign.

Only you can.
